INTRODUCTION

The Prison Rape Elimination Act of 2003 (PREA) was enacted to address sexual abuse and sexual harassment in federal, state, and local institutions. PREA supports the elimination, reduction, and prevention of sexual abuse and sexual harassment by establishing a zero tolerance policy within our prisons, community confinement facilities, and local jails.

This report covers data on allegations reported from January 1, 2021 through December 31, 2021. CURA, Inc. is committed to providing a safe and secure environment free from all forms of sexual misconduct and retaliation. CURA, Inc. has developed a policy and procedures manual that helps us to meet the PREA standards.
